Facts & Figures...

Our Main Event: For over 15 years, the GNBS has been setting up, organizing, and producing our annual fundraiser known as "The Blues Café." This event is typically held on the second Saturday in March each year. This Blues Café draws fans from all around the Midwest, as well as a very loyal local audience. Boasting a full 10 hours of non-stop music featuring regional and national acts at a very affordable price, the event has drawn upwards of 800-1000 attendees for several years.

In-Kind Donations to Rothschild Pavilion:

The GNBS has assisted the Pavilion restoration process with numerous contributions of goods and services.

Scholarships: The GNBS plans to award a minimum of three \$500 Scholarships each year to local musically-talented, and deserving students at area high schools. Wausau East, Wausau West, and D.C. Everest will be among the recipients of these scholarships.

Blues in the Schools: Scheduled the Friday before our Blues Café weekend, Blues in the Schools is designed to deliver a musical experience to expose students to the history and heritage of this uniquely original American art form that gave birth to Rock n Roll. In the past, we've helped host numerous events at Wausau East, Everest and Merrill High Schools as well as the UW-Marathon Center campus. Artists then perform at local, blues-friendly establishments that evening.

Cabin Fever Blues Night: Following the day's Blues in the Schools events, we host the artists involved at downtown area venues. These events are subsidized by, or entirely paid for, by the GNBS. Past artists have included Crankshaft & the Gear Grinders, Howard & Deb Luedtke and Mary Sammon.
